

Careers

Our mission is to become a major Lubrication Reliability Source™ in the Indian Sub-continent Industrial market. Our commitment is to provide products and services of highest standards, exceeding the customers’ needs. Our aim is to train up people to render outstanding value-added services as a part of our customer-driven philosophy. Our employees are our strength. They are the foundation of our organization and our road to success. We believe in helping our employees grow with us. We appraise the market place to recruit experienced and talented people for positions of responsibility within the organisation.
