

Food Grade

4023-4025 QUINPLEX® Food Machinery Lubricant The NSF registered and USDA authorized "H1" heavy-duty, semi-synthetic, extreme pressure (EP) lubricant that won't wash out, pound out or melt and run under the severe conditions encountered in food processing operations.

- NSF/USDA
- Excellent for use in severe conditions encountered in food processing operations
- Water resistant, won't wash out or emulsify
- Highly impact resistant
- White, non-staining, for critically clean applications
- Good resistance to mild acids and alkaline fluids
- Contains anti-microbial agent
- Environmentally safe
- Aluminum complex thickener
- Contains QUINPLEX®, LE's exclusive additive that enhances lubricant performance
