

Natural Gas

4909 All Purpose Natural Gas Engine Oil Premium quality detergent engine oil for use in natural gas burning engines requiring low ash or ashless engine oils.

- Provides excellent detergent action
- Protects against spark plug fouling, pre-ignition, and port plugging
- Provides exceptional anti-wear protection
- Offers excellent oxidation and corrosion inhibition

8940 MONOLEC® Natural Gas Engine Oil Premium quality detergent engine oil for use in natural gas burning engines requiring low ash engine oils. Provides anti-wear protection, and oxidation and corrosion inhibitors.

- Superior oxidation inhibition for long oil life
- Designed for engines requiring low ash or no ash oils
- Excellent detergent action
- Excellent wear protection
- Minimizes valve seat recession
- Reduced oil consumption
- Protects against spark plug fouling and port plugging
- Contains MONOLEC®, LE's exclusive wear-reducing additive
