

Gasoline

2300 L-X® Heavy-Duty Chemical Supplement The power releasing fuel and oil supplement that provides reduced fuel consumption, more power, smoother engine performance and less maintenance.

- Increased power
- Reduced frictional wear
- Cleaner internal engine parts
- Extended engine life
- Reduces fuel consumption
- Corrosive wear is reduced
- Fuel system corrosion prevented
- Corrosive wear is reduced
- Fuel system corrosion prevented
- Mixes thoroughly with gasoline without any agitation required
